News And Events

Admission Open For

Sports :-

With a view to enhance the organizational skills and infuse team spirit into the students we encourage them to participate more and more in sports. The college provides encouragement and support to the students so that they can excel in the field of sports.

The college provides basic infrastructure for a variety of sports. The college has made a very efficient use of its campus to provide students with a variety of sporting facilities. These facilities include a cricket field which can double up as a brilliant football field. The college also provides a field to play Volleyball.

The college also takes a keen interest in the indoor sports infrastructure with Table Tennis and Carom facilities provided in the college premises. In addition, the college is well represented in a variety of sports including Cricket, Football, Baseball and Basketball.

Playground :-
